## **I Understanding Aging: Frames of Reference**

Introduction to Part I / 1

### **1 Aging and Society** / 3

*with Robert Atchley*

Dimensions of Aging / 4

Physical Aging / 4

Psychological Aging / 5

Social Aging / 6

Population Aging / 7

Ways of Categorizing People by Age / 10

Chronological Age / 10

Functional Age / 12

Life Stage / 12

Ageism / 13

The Rise of Old Age as a Social Category / 14

Generational Consciousness / 14

The Aging Population as a Social Force / 15

The Life Course and the Transition to Old Age / 18

Social Perspectives on Aging / 19

Social Gerontology / 19

Disciplinary Perspectives on Aging / 21

*The Sociological Imagination* / 22

*Micro and Macro Perspectives* / 23

Conclusion / 24

Web Wise / 25

Key Terms / 26

Questions for Thought and Reflection / 26

TOPICAL ESSAY: *Will They Play the Rolling Stones at the Nursing Home?* / 27

## 2 Studying Aging: Analytical Frames of Reference / 31

- Why Do We Conduct Research? / 32
- Issues in the Collection of Scientific Evidence / 34
  - Rules of the Scientific Method / 34
  - The Role of Theory in Selecting Question / Method / 35
  - Qualitative versus Quantitative Approaches / 35
  - Units of Analysis / 37
  - Critiques of the Scientific Methods:
    - The Sociology of Knowledge and Research Activism / 38
- Special Concerns in Studying Aging / 40
  - The Dilemma of Age, Period, and Cohort / 40
    - Aging Effects: Criminal Behavior by Age* / 44
    - Cohort Effects: The Case of Voting among the Nineteenth Amendment Women* / 46
    - Period Effects: The Case of World War II and Divorce* / 47
  - Separating “Normal” from “Pathological” Aging / 48
  - Increasing Variability with Aging / 49
  - Adequate Samples for the Question under Study / 50
  - Cohort-Centrism, Dynamism, and the Limitations of Current Knowledge about Aging / 52
- APPLYING THEORY: *Cohort Size and Life Chances: The Easterlin Hypothesis* / 54
- Designs Targeted to Studies of Aging / 55
  - Longitudinal / Panel Studies / 55
    - Secondary Analysis* / 56
  - Event History Analysis / 57
  - Life History and Reminiscence / 58
- Mainstream Methodologies Applied to Aging Issues / 59
  - Macro Approaches / 59
  - Experimental and Quasi-Experimental Research / 61
  - Surveys / 62
  - Comparative Studies / 63
  - Historical Analyses / 64
- Picking the Right Approach to Answer an Aging Research Question / 66
- Summary / 67
- Web Wise / 68
- Key Terms / 69
- Questions for Thought and Reflection / 69

### 3 Aging People in an Aging World: Demographic Perspectives / 71

The Aging of Societies / 71

How Do Populations Age? / 73

■ APPLYING THEORY: *Demographic Transition Theory* / 73

Measures of Population Aging / 77

Population Pyramids / 77

Proportion Aged / 81

Mean and Median Ages / 82

Dependency Ratios / 82

Life Expectancy / 84

Global Aging / 90

■ APPLYING THEORY: *Modernization Theory* / 92

Demographic Characteristics of Our Aging Population / 93

Summary / 98

Interpreting and Using; Demographic Data about the Older Population / 98

The Fallacy of the Demographic Imperative / 98

Our Demographic Future / 99

Web Wise / 102

Key Terms / 103

Questions for Thought and Reflection / 103

## II Dimensions of Aging

Introduction to Part II / 105

### 4 Physiology of Human Aging / 107

*by Helaine Alessio*

What is Physiological Aging? / 107

Usual and Inevitable Aging / 107

Normal Aging and Disease / 109

Diseases Associated with Aging / 110

Environment versus Genetics / 113

Markers of Physiological Aging / 114

Aging and Rate of Aging / 115

Persistent Capacities / 116

Cell Death / 118

Theories of Aging / 118

Error Theories of Aging / 119

*Free Radical Theory* / 119

*Mitochondrial Theory of Aging* / 119

<i>Wear and Tear</i>	/ 120
<i>Cross-Linking</i>	/ 122
<i>Error Catastrophe</i>	/ 122
Programmed Theories of Aging	/ 123
<i>Hayflick Phenomenon</i>	/ 123
<i>Telomerase Theory</i>	/ 123
<i>Neuroendocrine Theory</i>	/ 124
<i>Somatic Mutation Theory</i>	/ 126
<i>Dysdifferentiation Theory</i>	/ 128
<i>Immunological Theory</i>	/ 128
Anti-Aging Interventions	/ 129
Estrogen Replacement Therapy	/ 129
Growth Hormone Replacement	/ 130
Caloric Restriction	/ 131
Exercise	/ 131
Tannins	/ 134
Summary	/ 135
Web Wise	/ 136
Key Terms	/ 136
Questions for Thought and Reflection	/ 137

TOPICAL ESSAY: *Face Lifts and Frozen Heads* /

## **5 Psychological Perspectives on Aging / 143**

*by Michael Marsiske, Melissa M. Franks, and Benjamin T. Mast*

Defining a Psychological Approach to Aging	/ 143
Psychological Perspectives on Successful Aging	/ 144
Cognitive Aging	/ 147
The Complexity of Cognition	/ 148
Development as Gain / Loss	/ 150
Cognitive Performance is Modifiable	/ 151
Cohort Variations in Cognition	/ 152
Everyday Cognition: The Role of Context	/ 154
A Focus on Memory	/ 155
Cognition: Summary	/ 157
Aging of the Self and Personality	/ 157
Personality	/ 158
The Self	/ 160
Age Trends in Possible Selves	/ 162
Successful Aging: The Resilient Self and Personality	/ 163
<i>Flexible Goal Adjustment: Continuity and Change in the Self</i>	/ 163
<i>Finding the "Right" Basis for Evaluating Ourselves</i>	/ 165
Self and Personality: Summary	/ 166

---

Psychological Perspectives on Social Relations /	166
Social Networks of Older Adults /	167
Social Relations as a Basis for Successful Aging /	169
<i>Social Cognitive Interactions</i> /	169
Negative Aspects of Social Relations /	171
Social Relations: Summary /	174
Mental Health and Aging /	174
Depression /	175
<i>Treatment of Depression</i> /	177
Dementia /	178
<i>Treatment of Dementia</i> /	178
Mental Health: Summary /	180
Summary /	180
Web Wise /	181
Key Terms /	182
Questions for Thought and Reflection /	182

## **6 Sociological Perspectives on Aging / 183**

Social Theories of Aging /	185
The Life Course /	188
Social Roles /	192
Age Norms /	193
<i>Norms, Age Norms, and Roles</i> /	194
<i>Ageism</i> /	195
<i>Observing Age Norms and the Life Course</i> /	195
Patterning of Experience: Diversity in Aging /	200
Social Institutions and Social Change /	202
Structural Lag /	203
Productive Aging /	205
Summary /	206
Web Wise /	207
Key Terms /	207
Questions for Thought and Reflection /	208

## III Social Institutions and Aging

Introduction to Part III / 209

### 7 Aging in Families / 211

Families in the Study of Aging / 211

The Meanings of Generation / 212

Aspects of Family Variation / 213

Core Norms and Expectations of Family Relationships / 215

*Independence and Dependence* / 216

*Voluntarism and Obligation* / 218

*The Cultural Basis of Family Norms: The Chinese Case* / 220

Continuities in Later-Life Families / 221

#### ■ APPLYING THEORY:

*Family Life Cycle Theory and Individual Dependency in the Family* / 221

Key Familial Roles and Relationships / 223

Spouses / Aging Couples / 223

*Marital Satisfaction over the Life Course* / 225

*Termination of Marriage: Widows and Widowers* / 226

Parents and Children / 228

Siblings / 231

*Changes in Contact / Intimacy through Life* / 232

*Variations in Sibling Linkages* / 232

Grandparents / 233

*The Waltons Myth: Coresidence of Grandparents* / 233

*Voluntary Nature of Grandparenting in Middle-Class Families* / 234

*Variations in Grandparenting Roles* / 236

#### ■ APPLYING THEORY: Exchange Theory and Family Caregiving / 237

Families as Providers of Support / 239

Intergenerational Support / 239

Family Members as Caregivers to Frail Elders / 241

*Caregiver Burden and Rewards* / 242

*Who Are Family Caregivers?* / 243

*Women in the Middle* / 244

Social Changes and the Family's Future / 245

Changes in Size / Structure of Families / 245

Greater Complexity of Family Relations / 247

Changes in the Timing of Family Life Events / 248

Summary / 250

Web Wise / 251

Key Terms / 252

Questions for Thought and Reflection / 253

TOPICAL ESSAY: *Love, Sex, and Longevity* / 255

## 8 Employment and Retirement / 259

Employment as an Organizing Force across the Life Cycle / 257

Dynamics of the Labor Force / 260

Employment and Life Chances / 263

The Occupational Life Cycle: Contemporary Changes / 267

Older Workers and the Dynamics of the Labor Force / 269

*Skills and Employability of Older Workers* / 270

*Special Programs for Older Workers* / 272

Age Discrimination in Employment: Problems and Policies / 273

### ■ APPLYING THEORY:

*Rocking Chairs or Rock Climbing: Disengagement and Activity Theories* / 275

Retirement / 277

Defining Retirement / 278

The Social Construction of Retirement / 280

*Theoretical Perspectives on Contemporary Retirement* / 280

*The Role of Social Security* / 281

*The Role of Private Pensions* / 282

Trends in Retirement / 284

*Early Retirement* / 284

*Sex and Class Variation in Retirement Trends* / 286

Individual Retirement / 287

*Determinants of the Retirement Decision* / 281

*Employment after Retirement—Bridge Jobs* / 290

*Consequences for the Individual and the Couple* / 291

### ■ APPLYING THEORY:: *Continuity Theory and the “Busy Ethic”* / 292

Rethinking Employment and Retirement for the Future / 294

*Changes in Policies and Political Attitudes* / 296

*Changes in the Economy and the Nature of Work* / 296

Changes for Individual Workers / 297

Summary / 298

Web Wise / 300

Key Terms / 301

Questions for Thought and Reflection / 301

TOPICAL ESSAY: *E-Elders* / 303

## 9 Economics and the Aging of Society / 307

Policy and Economic Status of Older Adults / 307

Income Maintenance Policies / 307

*Income Maintenance in the United States* / 309

*International Views on Income Maintenance* / 309

Sources of Income / 311

*Social Security: Background and Contemporary Issues* / 312

*Pensions* / 319

*Personal Savings / Assets* / 321

Economic Well-Being of Older Americans / 322

Alternatives for Measuring Economic Well-Being / 322

*Measures of Economic Status* / 323

*Rates of Poverty* / 323

*Summary* / 328

Patterns of Economic Well-Being: Social Inequality among Older People / 330

■ APPLYING THEORY: The Stratified Life Course and Economic Diversity / 333

Effect of Population Aging on the Economy / 336

Spending and Saving over the Life Cycle / 336

Consumption Patterns / 337

Prospects for the Future Economic Status of the Elderly / 339

Summary / 340

Web Wise / 341

Key Terms / 342

Questions for Thought and Reflection / 343

## 10 Health and Health Care / 345

The Medical Model: Assumptions and Limitations / 346

The Health Status of Older People / 349

Measures of Health / 350

*Prevalence Rates* / 351

*Functional Ability* / 353

*Self-Assessment* / 356

*Mortality* / 357

Mental Health and Aging / 359

Sex and Race Variations in Health / 361

Death and Dying / 362

The Health Care System / 365

An Overview of the U.S. Health Care System / 367

Financing and Delivery of Health Care for Older Americans /	368
<i>Medicare</i> /	368
<i>Medicaid</i> /	369
<i>Managed Care</i> /	371
<i>Long-Term Care for Older Americans</i> /	372
Summary /	373
Web Wise /	375
Key Terms /	376
Questions for Thought and Reflection /	377

TOPICAL ESSAY: <i>The Flowering of Gray Power? Political Activism and the Baby Boomers</i> /	379
--	-----

## 11 Politics, Government, and the Welfare State / 383

Age-Based Government Policies /	383
The Old-Age Welfare State /	383
<i>The Older Americans Act</i> /	386
<i>The Aging Enterprise</i> /	387
Age and Need Entitlements /	388
Aging and Politics /	390
Age Norms and Rules for Political Participation /	390
Aging, Period, and Cohort Effects on Political Behavior /	392
<i>Voting and Activism: The Potential for Old-Age Political Power</i> /	393
<i>Attitudes and Party Affiliation</i> /	399
Working the Political System: Age-Based Advocacy /	403
<i>The Battle over Social Security</i> /	403
<i>AARP and Capitol Hill</i> /	404
<i>The Case of Catastrophic Health Care Legislation</i> /	405
Generational Politics: Conflict and Consensus /	406
The Potential for Generational Politics and Conflict /	406
The Generational Equity Debate /	410
■ APPLYING THEORY: <i>Age Stratification Theory</i> /	414
Summary /	417
Web Wise /	419
Key Terms /	420
Questions for Thought and Reflection /	421

## IV The Future

Introduction to Part IV / 423

### 12 Conclusion: The Dynamics of Aging in Our Future / 425

Aging in a Changing Social World / 427

    Rethinking Old Age and the Life Course / 427

    Implications of a Global Economy / 430

    Changing Family Structure / 432

Future Cohorts of Older People / 433

    What We Can Accurately Predict / 433

*Growth and Diversity* / 433

*Education* / 436

*Sharing Lives and Households* / 439

*Political Participation* / 440

    Speculations about Coming Cohorts / 441

    The Risks of Prediction / 443

Challenges and Opportunities for the Field / 444

    Disciplinary Frameworks / 444

    Micro / Macro Distinctions: Implications for Policy and Practice / 444

    The Interrelatedness of Social Domains / 445

    Firming Our Theoretical Foundations / 447

    Refining Methodologies for Applied Research / 448

    Addressing Diversity in Policy and Practice / 449

    Transforming Knowledge to Inform Policy and Practice / 451

Summary / 452

Web Wise / 453

Questions for Thought and Reflection / 454

References / 457

Glossary and Index / 487
